STAND THE LINE WITH US

Because the line is only as strong as the community standing behind it. When you give to the Fargo Police Foundation, 100% of your donation fuels three critical pillars:

-Staff Wellness: The calls never stop. The trauma adds up. Your gift funds confidential counseling, peer support, gym access, stress-resilience training, and family programs—ensuring officers don't battle alone.

-Expansion of Supportive Resources: Threats evolve fast. Your support provides cutting-edge tech, specialized training, and life-saving gear the city budget does not cover—equipping officers to win when seconds count.

-Community Engagement: Trust is earned daily. Your contribution powers youth programs, neighborhood events, citizen academies, and "coffee-with-a-cop" talks—building unity between law enforcement and the community.
